HERITAGE
AUCTIONS

SESSION ONE

- 26001 **Afghanistan** Ministry of Finance 20 Afghani ND (1936) Pick 18
A delightful note graded PMG **Gem Uncirculated 66 EPQ**, which is uncanny for the number as it is valued only through XF in Krause. (750-1,000)
Starting Bid: \$450

- 26002 **Afghanistan** Ministry of Finance 100 Afghani ND (1936) Pick 20A
A beautiful Gem that was printed by Orell Füssli, Zurich. PMG **Gem Uncirculated 65 EPQ**. (500-700)
Starting Bid: \$300

- 26003 **Algeria** Banque de l'Algérie 1000 Francs 28.1.1938 Pick 83a
Jumbo size note featuring several allegorical figures front and back. Despite the very minor flaws such as minor rust and a small tear this note exhibits, it still retains great color and an overall pleasing look for the grade. High denomination notes of this size with no missing pieces are always desirable and prized. PCGS **Apparent Very Fine 25**. (700-850)
Starting Bid: \$413

ARGENTINA

- 26004 **Argentina** El Banco Nacional 200 Pesos 5.11.1881 Pick S702 Specimen Proof
A possibly unique uncut sheet of 3 Bradbury-Wilkinson archival Specimens. Each Serial B and serial #s 005,001-020,000. Black-on-green face with allegorical female art at left and A.P. Saenz portrait at right. Intricately engraved back in brown-and-blue earth tones with a wheat harvest vignette at center. Wonderful condition, with no folds or any disturbance of the original paper surfaces. Bradbury-Wilkinson printer. PMG **Gem Uncirculated 65 EPQ**. (2,500-3,500)
Starting Bid: \$1,500

- 26005 **Argentina** Banco Provincial 10 Pesos ND (1881) Pick S738p Back Proof
Krause states for this number, "Requires Confirmation." This back is confirmation for this Waterlow & Sons back design. PMG **Gem Uncirculated 65 EPQ**. (600-800)
Starting Bid: \$350

- 26006 **Argentina** Banco Provincial 50 Centavos - Cordoba 1.1.1881 Pick UNL Proof
Face Proof on card for an unadopted 50 Centavo note. Gaucho on trotting horse at center. Waterlow & Sons printer. Heavy black inking of intricate design. Some spots and corner damage. PMG **Uncirculated 61 NET**. (1,650-1,750)
Starting Bid: \$975

- 26007 **Argentina** Banco Provincial 10 Pesos - Cordoba 1.1.1881 Pick UNL Proof
Face Proof on large card of the similarly unadopted 10 Peso denomination with portrait of clergyman Gregorio Funes at left and cathedral at lower right. Waterlow & Sons printer. The engraved area is fresh and clean with some soiling and light foxing limited to the outer areas of the card. PMG **Gem Uncirculated 65 EPQ**. (2,000-3,000)
Starting Bid: \$1,200

- 26008 **Aruba** Banco Central Di Aruba 5 Florin, 10 Florin, 25 Florin, 50 Florin, and 100 Florin 1.1.1986 Pick 1s, 2s, 3s, 4s, and 5s Specimens
A denomination set of Specimens from the first issue of notes for this Dutch possession. They are all unlisted in the Krause catalog, and three of the notes bear specimen serial number 0002 in their bottom margins while the other two carry specimen serial number 0199. **About Uncirculated**, with some light handling. (Total: 5 notes) (1,000-1,200)
Starting Bid: \$600

- 26009 **Aruba** Centrale Bank van Aruba 10; 25; 50; 100; 500 Florin 1.12.2003 Pick 16s; 17s; 18s; 19s; 20s Specimens
None of these Specimens are found in the Pick reference.
Extremely Fine-About Uncirculated or better. (Total: 5 notes)
(1,250-1,750)
Starting Bid: \$750

- 26010 **Australia** Commonwealth of Australia £10 ND (1934-1939) Pick 24 R57
A tough pre-war note with the V/1 prefix. The Net grade is for foreign substance, small tears, and an erasure. PMG **Very Fine** 25 Net. (2,000-3,000)
Starting Bid: \$1,200

- 26011 **Australia** Commonwealth of Australia 10 Shillings ND (1942) Pick 25b R13
An example from prefix G/3 with paper originality. PMG **Gem Uncirculated** 65 EPQ. (1,250-1,750)
Starting Bid: \$750

- 26012 **Australia** Commonwealth of Australia £1 ND (1942) Pick 26b
A widely margined and colorful example of this World War II era £1 note that lists for \$800 in CU in the Krause catalog and easily the finest we have ever handled. PMG **Gem Uncirculated** 66 EPQ. (750-1,000)
Starting Bid: \$450

- 26013 **Australia** Commonwealth of Australia £1 ND (1942) Pick 26b
Another high grade example of this scarce World War II-era issue, just shy of the centering of the previous note. PMG **Choice Uncirculated** 64 EPQ. (600-800)
Starting Bid: \$350

- 26014 **Australia** Commonwealth of Australia £1 ND (1942-49) PMG Graded.
Pick 26b R30a-b **About Uncirculated** 50
Pick 26c R31 **About Uncirculated** 53 EPQ
Pick 26c R31 **About Uncirculated** 50 EPQ.
The 26b note has prefix K/77, and the two consecutive 26c's have the better first prefix of K/97. (Total: 3 notes) (700-900)
Starting Bid: \$413

AUSTRALIA

- 26015 **Australia** Commonwealth of Australia \$20 ND (1968) Pick 41b R402
A lightly circulated and colorful example of this \$20 note that bears the rare signature combination of Coombs and Randall. PMG **Choice Very Fine 35 Net**, with a small edge tear that can only be found after close examination. (750-1,000)
Starting Bid: \$450

- 26016 **Australia** New South Wales - The Australian Joint Stock Bank Limited £5 1.7.1893 Pick UNL Proof
We have been unable to locate any records of this type of proof being offered at public auction prior to this example. A detailed vignette overlooking a harbor is seen at center. PCGS **New 60**. (2,000-2,500)
Starting Bid: \$1,200

- 26017 **Austria** Oesterreichische Nationalbank 1000 Schilling 2.1.1961 Pick 141s Specimen
The overprinted and perforated German word for "Muster" and a serial number with all zero digits tells us that this is a Specimen note. A nicely preserved example with a deeply embossed bank title. PMG **Choice Uncirculated 64**. (1,000-1,500)
Starting Bid: \$600

- 26018 **Azores** Banco de Portugal 10 Mil Reis Ouro 30.1.1905 Pick 11
The "Moeda Insulana" overprint was printed on this Portugal Pick 81 note in order to have a circulating issue restricted to this autonomous region. It grades PMG **About Uncirculated 53 Net**, with repairs and internal tears. Krause only values this number up to the grade of Fine, in this case with a value of \$4,500. Government notes specifically for the Azores were issued in 1876 to 1910. (3,000-5,000)
Starting Bid: \$1,800

- 26019 **Bahamas** Bahamas Government £5 1936 ND (1944) Pick 12a
A tougher earlier issue that shows strong color for its grade.
PMG Very Fine 25. (600-800)
Starting Bid: \$350

- 26022 **Bahamas** Bahamas Government £1 ND (1953) Pick 15d
Embossing earned this PMG **Choice About Unc 58 EPQ** note its
EPQ grade modifier. (700-900)
Starting Bid: \$413

- 26020 **Bahamas** Bahamas Government 4 Shillings 1936 ND (1953) Pick 13b
Bold embossing appears in the back margins. PMG **Gem Uncirculated 65 EPQ**. (500-700)
Starting Bid: \$300

- 26023 **Bahamas** Bahamas Government \$5 1965 Pick 21b
A note of the much better three-signature variety. PMG **Choice About Unc 58 EPQ**. (1,250-1,750)
Starting Bid: \$750

- 26021 **Bahamas** Bahamas Government 1 Pound 1954 Pick 15b
1953 Issue and only pre-decimal QEII portrait notes for Bahamas. The entire series is avidly collected by signatures, and this 1 Pound offering is the scarcest Pick 15b type with Sweeting-Burnside signatures. Very difficult in full gem and this example fully qualifies. PMG **Gem Uncirculated 66 EPQ**. (1,600-2,000)
Starting Bid: \$1,000

- 26024 **Bahamas** Bahamas Government \$10 L. 1965 Pick 22b
This issue was not saved, and thus values are justifiably high. That is especially true for the \$10 denomination and everything above it. PCGS **Extremely Fine 40**. (2,000-3,000)
Starting Bid: \$1,500

BAHAMAS

- 26025 **Bahamas** Bahamas Government 100 Dollars 1965 Pick 25bs Specimen
Specimen of the triple signature \$100 QEII note from the first 1965 issue. A more desirable variety with no perforations or POC and only "SPECIMEN" overprinted in red diagonally across the front and back. Only two issued triple signature notes are known, so realistically this variety is available only in specimen form. A well margined and colorful example. PCGS **Gem New 66PPQ**. (2,500-3,500)
Starting Bid: \$2,000

- 26026 **Bahamas** Monetary Authority 1/2, 1, 3, 5, 10, 20, 50, 100 Dollars 1968 Pick 26s-33s Specimens
A complete QEII denomination set of Specimens for the 1968 Monetary Authority Act. "SPECIMEN" printed in red diagonally across face and back. This is the more desirable variety with no POCs. 1/2, 3, 5, 50, and 100 Dollars all PMG **Gem Uncirculated 66 EPQ**. \$1: PMG **Gem Uncirculated 65 EPQ**. \$20: PMG **Choice Uncirculated 64 EPQ**. \$10: PMG **Choice Uncirculated 64**. (Total: 8 notes) (1,000-1,500)
Starting Bid: \$600

- 26027 **Bahamas** Monetary Authority \$10 1968 Pick 30a
A lightly circulated example of this strikingly colorful and scarce \$10 note from the Bahamas with the always popular pink flamingoes vignette on the back. PMG **Choice Very Fine 35 EPQ**. (800-1,200)
Starting Bid: \$475

- 26028 **Bahamas** Central Bank \$10 L. 1974 (1984) Pick 38a
Another issue that was overlooked by collectors when it was current. PMG **Gem Uncirculated 65 EPQ**. (1,000-1,500)
Starting Bid: \$750

- 26029 **Bahamas** Central Bank 1974 \$10 Pick 38as Specimen
The first in a series of superior grade Specimens up to the \$100 from the last QEII issue of the 1974 Central Bank Act. All with the first Donaldson signature, all black zero serial numbers, and no perforations or POC. "SPECIMEN" overprinted in red diagonally across the front and back. This \$10 Specimen must be one of the finest known. PCGS **Superb Gem 68PPQ**. (1,500-2,500)
Starting Bid: \$1,000

- 26030 **Bahamas** Central Bank 1974 \$20 Pick 39as Specimen
The \$20 QEII Specimen from the 1974 Central Bank Act. Lovely and flawless condition. PCGS **Superb Gem New 67PPQ**. (2,000-3,000)
Starting Bid: \$1,200

- 26031 **Bahamas Central Bank 1974 \$50 Pick 40as Specimen**
The next denomination in the 1974 series. An issued \$50 of this quality now goes for \$8000 or more, so a nice Specimen like this is the only option for most collectors. Another blazing original example. PCGS Superb Gem New 67PPQ. (2,000-3,000)
Starting Bid: \$1,200

- 26032 **Bahamas Central Bank 1974 \$100 Pick 41as Specimen**
The highest denomination Specimen in the 1974 series. An issued note of this quality would command \$10-\$12,000, so the specimen is a bargain by comparison. A real beauty. PCGS Superb Gem New 67PPQ. (2,000-3,000)
Starting Bid: \$1,200

- 26033 **Bahamas Central Bank \$20 L.1974 ND (1984) Pick 47a**
A lovely embossed \$20 grading PMG Gem Uncirculated 65 EPQ. (500-700)
Starting Bid: \$300

- 26034 **Belgian Congo Banque du Congo Belge 5 Francs 3.4.1924 Pick 4As Specimen**
A beautiful Specimen from this former Belgian colony that is unlisted in the Krause catalog, this note comes with full margins, a deeply embossed overprint, and wonderful color. Three POCs appear on this PMG Gem Uncirculated 66 EPQ example with a vignette of an elephant and hippo on the back. (750-1,000)
Starting Bid: \$450

- 26035 **Belgian Congo Banque du Congo Belge 5 Francs 10.1.1943 Pick 13Aa**
This is a classic note from this Belgian colony, with an elephant and hippo vignette on the back. Tonight's offering is a widely margined and pristine example that is easily the finest we have ever offered of this scarce wartime issue. PMG Gem Uncirculated 66 EPQ. (500-700)
Starting Bid: \$300

A Scarce 1945 Belgian Congo 500 Francs Note

26036 Belgian Congo Banque du Congo Belge 500 Francs 1945 Pick 18Ac

A classic large-size note of the Belgian Congo featuring the portrait of a woman of the Manbetu tribe on the face, and a native furtively viewing elephants bathing on the back. Brown variety with red EMISSION 1945 overprint, along with the serial and series #s overprinted four times on the front. The last date and Series 4 for the issue. ABNCo printer. The note has some minor rust and restoration to the margins, but it is more attractive than its formal grade and is well above the usual grade for this type, which is seldom offered in any condition. A prize addition for the serious Belgian Congo collector. PMG Very Fine 25 Net. (4,500-5,500)

Starting Bid: \$3,000

Belgian Congo 1000 Francs

26037 Belgian Congo Banque du Congo Belge 1000 Francs 10.5.1944 Pick 19a

This note is from the first date, and it is also the only date for this design during the World War II years. The Belgian Congo contributed much-needed raw materials to the Allied cause. Uranium from the Belgian Congo was used in the Manhattan project. The armed forces, the Force Publique, served in several theatres of war. This was all performed during the war despite unrest and high taxes. The Net grade is for a repaired lower right corner. PMG Very Fine 30 Net. (4,000-6,000)

A Ministerio de Fazenda (Ministry of Finance) 1949 card-stock holder measuring approximately 8 by 6 inches contains unadopted note designs in this lot. At center of the holder is printed "Casa da Moeda / Ensaaios [Essays]." The first piece is an **Extremely Fine** essay with a portrait of D. de Caxias without serial numbers. It is printed on both sides in red ink with "Fac-Simile" rubber stamped twice on the face. The other eight pieces in this lot are four face and back uniface essays of this same design, with each pair being of a different dominant color. The colors are blue, gray, green, and red. Each of these faces also have all-0 serial numbers. All of the pieces are mounted on paper and not graded. Each piece of paper shows a considerable amount of aging, and the front of the holder has a large moisture stain. Nevertheless, a great look at a design that did not make it into production. The total count for this lot includes one note by itself, eight mounted uniface pieces, and one holder, for a grand total of ten items. (Total: 10 items) (3,000-5,000)

26067 Quebec, LC- \$1/5s/1 Piastre Army Bill March 1814

An issued example of this note with a faded serial number that is barely readable, while the signature has completely faded. It is still a rare note that is of the lowest denomination of the Third Issue. It is listed as "very rare" in Charlton with an estimate of \$9,000 to \$18,000. We had auctioned only two examples previously of all issues of this class of note before tonight's auction session. This military note saw extensive circulation during the War of 1812, as it was backed by the Crown and redemption could be made in London. The Net grade is for repairs, and the foreign substance appears to be an adhesive. PMG **Very Good 10 Net**. (6,000-8,000)
Starting Bid: \$3,500

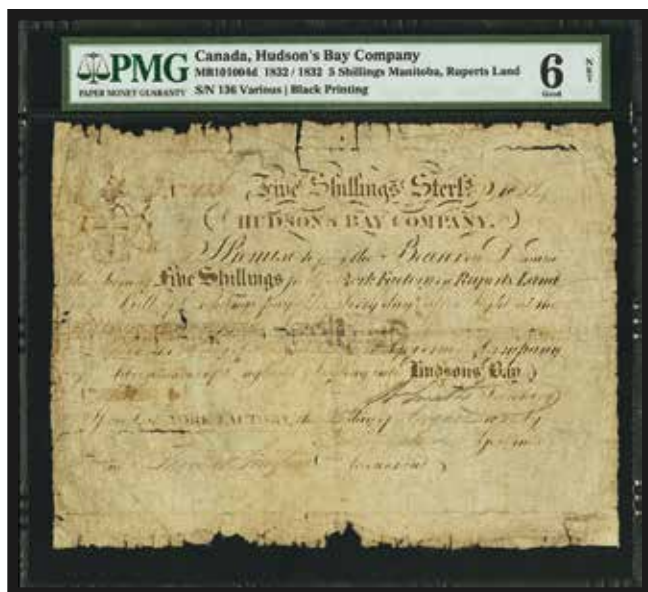

Very Rare Canada \$10 Army Bill 1815

26068 Quebec, LC- \$10/50s/10 Piaftres Army Bill January 1815

The army bills were issued for the purchase of supplies and the payment of troops during the War of 1812. These bearer instruments were legal tender and were issued from the Army Bill office in Quebec. Charlton lists dates of 1813-15. Each issue within those dates utilized a different format. Pages 4-7 discuss and list these notes in the 26th Charlton edition, but they are not given catalog numbers. All but one example is declared as "very rare" in Charlton, and the lone piece without "very rare" is priced at \$22,000 in VG. The PMG **Choice Extremely Fine 45** note that we are offering is from the last issue for this War of 1812 emergency emission. It is fully issued with its two manuscript signatures, and it is much nicer than any of the examples plated in Charlton. Virtually all of these notes were quickly redeemed in 1815, as they did not earn any interest after that date. The last example that we auctioned was of this denomination and date. It graded PMG VF 35 and brought \$17,625 in September 2013. Tonight's nicer example should bring considerably more. (30,000-40,000)

Starting Bid: \$18,000

This issued note carries the final date for this Charlton number. The Hudson's Bay Company is the oldest and largest company in Canadian history. At its height, HBC covered nearly 3,000,000 square miles, as they were at the forefront of the exploration of northern and western Canada. Paper money reminders of this great company are scarce. This note was signed and dated at York Factory, which was the sprawling complex located on Hudson Bay. PMG **Good 6 Net**, with tape repair at back center. (1,000-1,500)
Starting Bid: \$600

DC-8d PMG VF 25

26072 DC-8d \$1 1878

A rare note payable at Halifax, grading PMG **Very Fine 25**. It is the nicest by far of the four we have previously auctioned. Colorful 1924 \$5 Queen Mary Note

26091 DC-27 \$5 1924

This issue, featuring a formal portrait of Queen Mary, offers an interesting history. Although the plates were prepared in 1924, and the note is dated May 26th in honor of the Queen's birthday, there was so little need for Dominion \$5 bills that printing for this issue did not commence until 1931. When finally printed, they were stored until 1934, when they finally entered circulation, just in time to be replaced by the 1935 Bank of Canada issue, which marked the withdrawal of the Dominion notes. The new Charlton catalog estimates that only about one-third of the very small printing of 2,000,000 pieces was ever put into circulation. This moderately circulated example has retained its lovely blue color and shows even wear, its only flaw being some minor paper clip rust on the back. PMG **Very Fine 20 Net**.

That note graded PMG Gem 65 EPQ and it went for \$35,250 in April 2014. It is also our first single-digit serial number offering from this number. This example is a nice PMG **Extremely Fine 40** piece. It is well margined on all four sides without any problems whatsoever.

Problem-Free \$25 Commemorative Note

26097 BC-11 \$25 1935

The \$25 denomination was not part of the regular Series 1935 issue, but it was printed as a special commemorative tribute for the 25th anniversary of H.M. King George V's accession to the throne. English text notes were printed to the amount of 140,000, and 20,000 pieces bearing the text in French were also printed. The entire issue was in circulation for only two years, as the Bank of Canada in May 1937 chose to cancel all new \$25 notes and also to redeem all of those already in circulation. Of the 160,000 pieces issued in both languages, a total of only 1840 were outstanding by the year 2014. This English Text example is an evenly circulated PCGS **Very Fine 25**, with no problems whatsoever for the grade. (6,000-8,000)

26099 BC-13 \$50 1935

An English text \$50 with serial number A00736. PCGS **Apparent Very Fine 20**, with a small edge tear in the top margin to the left of center. (2,000-3,000)

Starting Bid: \$1,200

26102 BC-17FP/BP \$500 1935 Face and Back Proofs

A gorgeous pair of English version Face and Back Proofs, well-centered and mounted on cardstock. The face grades PCGS **Very Choice New 64**, hole-punch cancelled and with the back grading PCGS **Superb Gem New 68PPQ**, also hole-punch cancelled. The cancels more appropriately should be termed "shadow cancels" as they have barely disturbed the paper. The \$500 denomination was retired permanently in July 1938. Collectors possess only nine issued English language \$500s, while there are no known French \$500s in private collections, according to the *Canadian Paper Money Society Note Registry 2013*. This in turn puts upward pressure on the few \$500 Proofs in the numismatic community. We had a PCGS 68PPQ Face and Back Proof pair with shadow cancels bring \$6462.50 in April 2014. The difference between the current Proofs and the 2014 Proofs is miniscule. (Total: 2 notes) (4,000-6,000)

Starting Bid: \$2,400

26100 BC-15 \$100 1935

Low serial number A00312 adorns this PMG **Choice Fine 15** \$100 that had a small printing of 87,500. An example with low serial number A00810 in this precise PMG grade cleared \$1,750 in our auctions, almost three years ago. (2,000-2,500)

Starting Bid: \$1,200

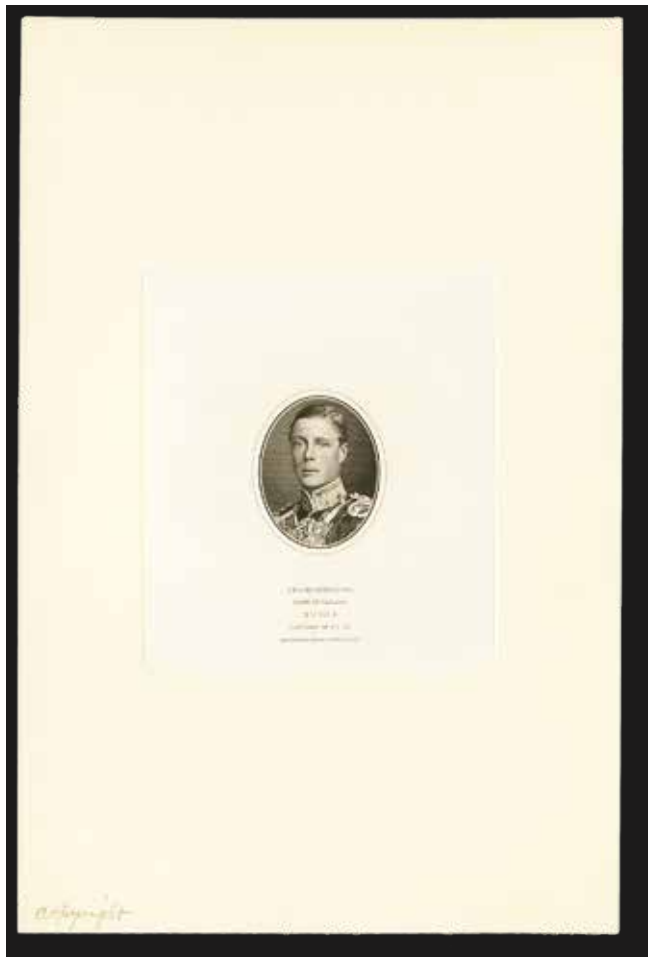

Elusive French Text 1935 \$100

26101 BC-16 \$100 1935

With an original printing of only 17,500 pieces, the French Text \$100 is one of the great rarities of Canadian small size notes. Evenly circulated and without a problem to mention, we expect this PCGS **Fine 15** to join an accomplished collection where it is likely to remain in some time. (3,000-5,000)

Starting Bid: \$1,800

- 26103 HM Edward VIII Bank of Canada Proposed Portrait - Part I.**
Edward VIII is one of the most controversial characters in the modern history of the British Monarchy. He was King of the United Kingdom and its related Dominions for less than a year. After his accession to the throne on January 20, 1936, he announced his engagement to Willis Simpson, an American socialite and two-time divorcee. The throne of England was also a religious seat, which elevated him to the head of the Church of England. Religious conflicts surrounding both of Simpson's ex-husbands who were still living (remarrying was allowed only if the former spouse was no longer living), as well as his indifference to the required political conventions required of the King, led him to abdicate the throne by December 11, 1936. He was succeeded by his brother, George VI. George VI was placed on the \$1 through \$50 denominations of the 1937 Series. Edward VIII's short reign produced this portrait of him that was engraved by the Canadian Bank Note Company for the Bank of Canada. Overall dimensions are approximately six by nine inches. This item is not graded. *There will be no returns on this lot for any reason.* (500-700)
Starting Bid: \$500

- 26104 HM Edward VIII Bank of Canada Proposed Portrait - Part II.**

- 26105 BC-21S-i \$1 1937 Narrow Signature Panel Specimen**
The Bank of Canada in November 1999 held a public auction where 39 of these Specimens from prefixes A/A and H/A were sold. The third party label incorrectly labels this Specimen as a Wide Panel note with the wrong Charlton number. It is a Narrow Panel note with prefix H/A. These Specimen notes were generally described in the 1999 auction catalogue as having glue residue on the back. PCGS **Apparent Very Choice New 64**, with four POCs and minor mounting remnants on the back at right. (500-700)
Starting Bid: \$300

- 26106 BC-21S-ii \$1 1937 Wide Signature Panel Specimen**
This Specimen and the following 1937 Specimens have the usual characteristics, as detailed in the Charlton reference. The third party label incorrectly labels this Specimen as a Narrow Panel note with the wrong Charlton number. It is a Wide Panel note with prefix J/M. The Bank of Canada auctioned eight of these Specimens spread amongst two prefixes in November 1999. PCGS **Apparent Very Choice New 64**, with four POCs and minor mounting remnants on the back at right. (1,000-1,500)
Starting Bid: \$600

PMG Choice Uncirculated 64 EPQ Osborne-Towers 1937 \$50

26114 BC-26a \$50 1937

A gorgeous near-Gem example of the key piece to any denomination set of the scarce Osborne-Tower 1937 issues, with tonight's offering easily the finest note we have ever been privileged to offer. According to the Charlton reference, in 2013, the Canadian Paper Money Society published a census of just 80 reported notes for this denomination and signature combination, with only four of those pieces having claims to the Uncirculated level. The lovely note we offer tonight easily meets the CU qualification and exhibits wide margins, superb color, and deep, original embossing. It is also the only note certified at this level by PMG. A wonderful note that will be the centerpiece of the next collection it enters.

PMG Choice Uncirculated 64 EPQ.

Starting Bid: \$27,000

Starting Bid: \$350

An A/H prefix Specimen with paper originality grading PCGS **Gem New 66PPQ**, hole punch cancelled. Both prefixes for this number in Specimen form are found in this auction. Charlton only values these 1937 Specimens in the AU grade. This \$50 and the following 1937 \$50, \$100, and \$1000 Specimens have the usual cancellations for this issue of Canadian Bank Note Company Specimens sold by the Bank of Canada in November 1999. Those cancellations are "Specimen," perforated diagonally three times, plus four round holes punched in the signature area. These Specimens also have all zero serial numbers and "Specimen" is printed twice in red ink in the signature area. (2,000-3,000)

Starting Bid: \$1,200

26117 BC-26c \$50 1937

Low Serial Number 0000047 1937 \$1000**26123 Low Serial Number 0000047 BC-28 \$1000 1937**

This denomination, although part of the 1937 series, was not released until January 1952, having been kept in the reserve stockpile of the Bank of Canada over the years, as indicated by the Osborne-Towers signatures, the only ones employed for this denomination. The colors here are as vivid as on any \$1000 we have ever seen, and low serial number 0000047 comes as a bonus. Lovely PMG graded **Choice Uncirculated 63**.

From The Kosowan Black Gold Collection (20,000-30,000)

\$1000 1937 Specimen 65PPQ**26124 BC-28S \$1000 1937 Specimen**

A well-preserved hole-punch-cancelled Specimen with vibrant inks and premium paper quality. The \$1000 Specimen is valued at \$7000 Canadian in AU in Charlton. We have not auctioned a single Specimen from the 1937 issue since we offered a complete set in September 2006. The \$1000 example offered here is a real beauty and should easily surpass the amount listed in Charlton. **PCGS Gem New 65PPQ. (10,000-15,000)**

Starting Bid: \$6,000

\$1 1954 Devil's Face Replacement**26125 BC-29bA \$1 1954 Devil's Face Replacement Note**

Uncirculated \$10 Devil's Face Replacement Note

26130 BC-32bA \$10 1954 Devil's Face Replacement

A lovely Devil's Face \$10 replacement note that exudes vivid color and plenty of originality. Charlton states that only about 4,800 of these asterisk notes were produced, with survivors few and far between, especially in the highest grade ranges. PCGS New 62PPQ, only held back from a much higher grade by its centering.

From The Kosowan Black Gold Collection (10,000-12,000)

Starting Bid: \$9,000

Devil's Face \$20 Replacement Note

26131 BC-33aA \$20 1954 Devil's Face Replacement

This was the highest denomination for which replacement notes were issued in this series, with Charlton estimating a total printing of only 7200 replacement examples bearing this signature combination. This piece is one of only five Coyne-Towers replacement notes to be graded by PMG to date and shows attractive color and margins. PMG has assigned a Net grade to this pleasing, moderately circulated example for what they consider minor restoration, which appears to be nothing more than a repaired edge split. PMG Very Fine 25 Net. (8,000-10,000)

Starting Bid: \$4,750

- 26132 **BC-35b \$100 Devil's Face 1954**

Starting Bid: \$350

- 26134 **BC-39S \$5 1954 Specimen**
Prefixes A/C and S/S were dispersed for this denomination and series to the amount of 109 Specimens via the Bank of Canada November 1999 auction. Most of the \$2 and \$5 Specimens from the 1954 Series are free of glue spots. This holds true for this A/C prefix note. PCGS **Gem New 66PPQ**, 2 POC. (800-1,100)
Starting Bid: \$475

- 26135 **BC-44d \$1000 1954**
A well margined and preserved \$1000 rightfully earning every point of its PMG **Gem Uncirculated 66 EPQ** grade. We have auctioned only two BC-44d's in a higher grade, and both of those were by a single grade point. (1,500-2,000)
Starting Bid: \$900

- 26136 **BC-44d \$1000 1954**
Great color and exceptionally nice centering are the prime attributes of this 1954 \$1000, which offers a lot of face value for the money. PCGS **Gem New 66PPQ**. (1,500-2,000)
Starting Bid: \$900

- 26137 **BC-44d \$1000 1954**

Starting Bid: \$413

- 26143 **BC-61aA \$1000 1988 Replacement Note EKX Prefix**

Starting Bid: \$350

- 26144 **BC-61b \$1000 1988**
A \$1000 from the very last Charlton number for the denomination, this note grades PCGS **Superb Gem New 67PPQ**. We have offered only one other \$1000 at this third party grade level or higher from the three Charlton numbers of the 1988 series. That previous example was also a BC-61b. It graded PMG 67 EPQ and brought \$2185 in January 2010. (2,500-3,500)
Starting Bid: \$1,500

- 26145 **Bridgetown, Barbados - The Royal Bank of Canada \$100 (£20-16-8) January 2, 1920 Ch. # 630-30-06FP/BP Face/Back Proofs**
This most pleasing pair of Proof notes from this bank is evenly matched for grade. The face is graded PMG **Choice Uncirculated 64 EPQ** while the back is a PMG **Choice Uncirculated 64**. Each example has two small punch cancels and pencil annotations on the back. Extraordinarily rare in issued form. (Total: 2 notes) (2,750-3,500)
Starting Bid: \$1,650

- 26146 **Charlottetown, PEI- Merchants Bank of Prince Edward Island \$1 Aug. 1, 1889 Ch. # 470-10-04-04**
A rare bank that has never graced our auctions before. We can see why by the values for issued notes in Charlton, as it will take at least a mid-four-figure war chest to acquire an example in low grade. Charlton states on page 260 of *Canadian Bank Notes* that when the eighth edition went to press there were only eight examples of this note enumerated and three of those examples resided in institutional collections. The current note with serial number 50998-A is not listed in the *Canadian Paper Money Society Note Registry 2013*. It grades PCGS **Apparent Good 6**, with a missing upper right corner from the inside frame line outwards. (4,000-6,000)
Starting Bid: \$2,400

- 26147 **Georgetown, British Guiana- Royal Bank of Canada \$5 (£1-0-10) January 3, 1938 Ch. # 630-38-02**
This is the first issued note we have had the pleasure of offering from this rare overseas bank. This example has evaded the census takers for many years. Its serial number is 076904, and it now joins the select seven listed in the *Canadian Paper Money Society Note Registry 2013*. PMG **Choice Fine 15 Net**, with a split at bottom center measuring approximately 5mm. (4,000-6,000)
Starting Bid: \$2,400

- 26148 **Grand River, NL- Grand River Pulp & Lumber Co. 5¢, 10¢, 25¢, and 50¢ UNL**
This is an attractive group of four pieces of uniface fractional scrip from this rare Newfoundland issuer. Although scrip in the \$1, \$2, and \$5 denominations are listed for this lumber company with a slightly different name in Charlton's *Canadian Merchant Scrip*, fractional denominations are not listed. The fractional notes we offer tonight were printed by T.C. Allen & Co. of Halifax with each denomination having its own color and sharing the same lumber cutting vignette. The \$1, \$2, and \$5 denominations for the Grand River Pulp & Paper Co. Limited are estimated at \$1200 each in VG in the Charlton reference. PMG has graded the 5¢ note in this lot **Choice Uncirculated 64**, the 10¢ note **Uncirculated 62 Net**, with a couple of edge tears, the 25¢ piece **About Uncirculated 53**, and the 50¢ note **Choice Uncirculated 64**. (Total: 4 notes) (4,000-6,000)
Starting Bid: \$2,400

Very Rare Merchants' Bank of Halifax \$10

26149 Halifax, NS- Merchants' Bank of Halifax \$10 Jan. 2, 1896 Ch. # 465-20-14

A very rare note from the "No Portrait" issues of 1880-98. This \$10 is valued only in the grades of G and VG to the tune of \$5000 and \$10,000 respectively in Charlton. Only two notes for this number are listed on page 214 of *Canadian Paper Money Society Note Registry 2013*. One example has taken up residence in the National Currency Collection. The other piece did not have its serial number recorded when it last appeared in public at the Toronto Coin Club auction of 1964. That leaves us with the possibility that the current offering has finally returned to the spotlight after a 50 year interval, or it is a new serial number for the census. These facts make us believe there is a total population of either two or three.

First Confirmed Merchants' Bank of Halifax \$20 1898

26150 Halifax, NS- Merchants' Bank of Halifax \$20 Jan. 1, 1898 Ch. # 465-20-18

We thought this was a rare note, and a look at the Charlton reference revealed this comment: "no known issued notes." This is a comment that is associated with several different Charlton numbers from this bank that has gone through name changes and mergers through the years, eventually becoming the largest bank in Canada. We are happy to offer this \$20 discovery piece with serial number A01659-A to the collecting community. It is a nice example for the grade of PMG **Very Fine 20**, sporting even circulation, ample margins, and bright paper. PMG did not find any complaints, and neither can we. Overall, a unique note with enough grade to make any collector proud. (15,000-20,000)

Starting Bid: \$9,000

Unique Outside the National Currency Collection

- 26151 **Halifax, NS- Merchants' Bank of Halifax \$5 June 1, 1894 Ch. # 465-22-02**
The first note we have offered from this number. Charlton tells us that this denomination and series is in an "institutional collection only," and the *Canadian Paper Money Society Note Registry 2013* pinpoints this lone listed note as being in the National Currency Collection. Tonight's offering is unique outside the National Currency Collection, and it has serial number 16592-A. It grades PMG **Very Good 10 Net**, with a foreign substance and edge damage. A hard note to estimate, but we see the hammer falling in the range of... (6,000-9,000)
Starting Bid: \$3,500

- 26152 **Halifax, NS- Bank of Nova Scotia \$5 Jan. 2, 1935 Ch. # 550-36-02**
Paper originality and nice color are merits of this PCGS **Choice New 63PPQ \$5**. (800-1,200)
Starting Bid: \$475

- 26153 **Montreal, PQ- Banque Canadienne Nationale \$5 Jan. 2, 1935 Ch. # 85-14-02**
At PMG **Choice About Unc 58**, this is the second-nicest example of this number to enter our halls. (600-800)
Starting Bid: \$350

- 26154 **Montreal, PQ- City Bank \$1 Jan. 1, 185_ Ch. # 110-14-02-02P Face Proof**
A bank from which we have offered only twice, with this being the very first Proof. Charlton states that all genuine notes from this bank appear to be scarce to rare. PCGS **Very Choice New 64PPQ**. (750-1,250)
Starting Bid: \$450

- 26155 **Montreal, PQ- Merchants Bank Canada \$5 July 2, 1886 Ch. # 460-12-02**
We have not auctioned this number before. Values listed in Charlton help explain that. The Net grade is for internal tears, which are minor, and for annotations. PMG **Choice Fine 15 Net**. (1,250-1,750)
Starting Bid: \$750

- 26156 **Montreal, PQ- Merchants Bank of Canada \$20 June 1, 1907 Ch. # 460-16-06**
A PCGS **Fine 15** on this number that we have now auctioned a total of five times. The last time was another example in the same PCGS grade that realized \$1292.50 last April. (1,250-1,750)
Starting Bid: \$750

Molson's Bank Major \$5 Rarity

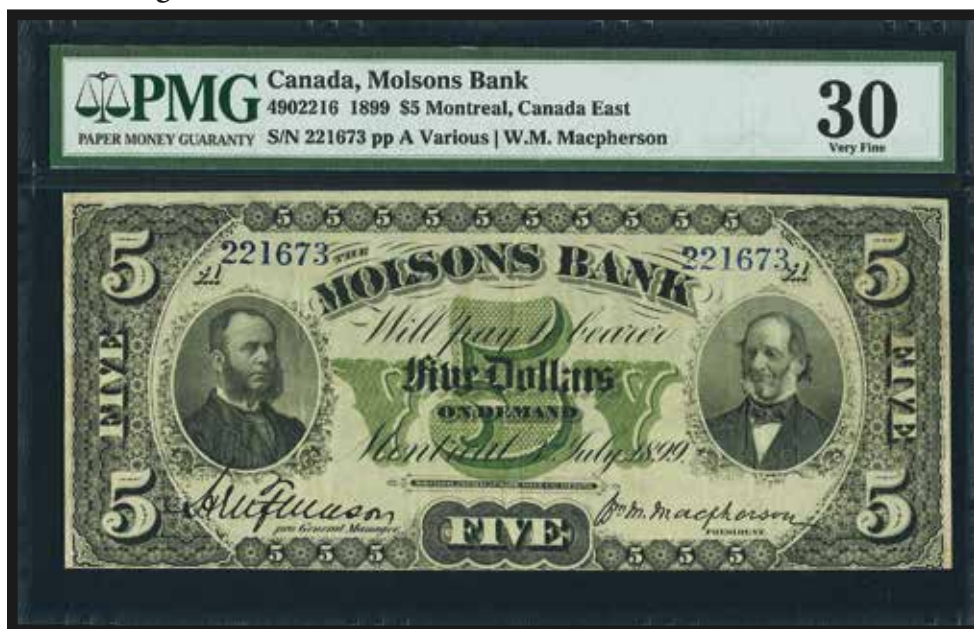

26157 Montreal, PQ- Molsons Bank \$5 Jan. 3, 1893 Ch. # 490-22-12

The Charlton reference informs us that this number is in an institutional collection only. The *Canadian Paper Money Society Note Registry 2013* on page 219 pinpoints that note as residing in the National Currency Collection. Now previously unreported serial number 173778-B bursts on to the numismatic scene. It is also a much nicer example than the piece in the National Currency Collection. The current offering carries the third party grade of PMG **Very Fine 20** very well. Minor rust is cited on the third party label. It is very minor indeed, while the rarity is major. (15,000-20,000)

Starting Bid: \$9,000

Highest Graded 1899 Molson's \$5 Available to Collectors

26158 Montreal, PQ- Molsons Bank \$5 July 3, 1899 Ch. # 490-22-16

Only two serial numbers for this Charlton number are reported on page 219 of *Canadian Paper Money Society Note Registry 2013*. Now serial number of 221673-A comes to the forefront. Also, one of the two notes in the *Registry*, and the one with the higher grade is permanently ensconced in the National Currency Collection. Due to that fact, the current offering at PMG **Very Fine 30** becomes the highest graded example available to collectors. (10,000-15,000)

Starting Bid: \$6,000

Problem-Free 1899 Molsons Bank \$5

26159 Montreal, PQ- Molsons Bank \$5 July 3, 1899 Ch. # 490-22-16

A second example allowing another collector an opportunity to acquire an example from this popular Canadian issuer. It grades PMG **Very Fine 25** and has serial number 217936-C. The circulation is even and the inks are attractive for the grade. William Molson left the family brewery after a disagreement with his brother, Thomas. William and his brother John Jr. then started the Molsons Bank in the 1850's. (9,000-12,000)
Starting Bid: \$5,250

Molsons Bank \$5 VF 20

26160 Montreal, PQ- Molsons Bank \$5 July 3, 1899 Ch. # 490-22-16

Our fortunate consignor acquired a third example of this rare note. This \$5 has serial number 211509-A. The *Registry* shows that this is the first auction since 1989 to offer an example of this rare number. Amazingly, three unrecorded 1899 \$5 examples are available here today. The Molsons Bank was acquired by the Bank of Montreal in 1925. The portrait on the right is of bank founder, William Molson. PMG **Very Fine 20**. (8,000-11,000)
Starting Bid: \$4,750

Molsons Bank \$5 1900

26161 Montreal, PQ- Molsons Bank \$5 Jan. 2, 1900 Ch. # 490-22-18

Another rare Charlton number, as only three pieces have been documented on page 219 of *Canadian Paper Money Society Note Registry 2013*. The note in this lot has serial number 224987-C and this serial number is consecutive to the one example that resides in the National Currency Collection. Our offering tonight grades PMG **Very Fine 30**. This is the nicest 490-22-18 that is available for collectors. (10,000-15,000)

Starting Bid: \$6,000

Molsons Bank \$10 1880

26162 Montreal, PQ- Molsons Bank \$10 Jan. 1, 1880 Ch. # 490-22-24

A rare number that was only previously known in the National Currency Collection and then with only one serial number. Tonight's example has serial number 19540-A and grades PMG **Very Good 8**, splits and edge damage. The piece in the NCC also grades VG, but its added comments are "washed and trimmed." We can plainly see that none of that has been performed on this 490-22-24. (10,000-15,000)

Starting Bid: \$6,000

Scarce 1891 Bank of Montreal \$5

- 26163 **Montreal, PQ- Bank of Montreal \$5 Jan. 2, 1891 Ch. 505-40-02**
Only four 1891 \$5s with one being in the National Currency Collection are listed on page 239 of the *Canadian Paper Money Society Note Registry 2013*. That figure does not include this new discovery. Charlton only values this number in the grade of VG and then to the amount of \$6000. In fact all private collection notes listed in the *Registry* grade G-VG to VG. Our offering grades PMG **Very Good 10**, annotation; which is actually a red check mark at center that is a trivial miscue at this grade level. (5,000-7,500)
Starting Bid: \$3,000

- 26165 **Montreal, PQ- Bank of Montreal \$10 1891 Ch. # 505-40-04Pa Back Proof**

- 26167 **Montreal, PQ- Royal Bank of Canada \$20 Jan. 2, 1913 Ch. # 630-12-10**

Extremely Rare Issued Note from Pictou, Nova Scotia

- 26169 **Pictou, NS - Pictou Bank \$5 Jan. 2, 1874 Ch. # 595-10-04**
An excessively rare issued note from this obscure and short-lived Nova Scotia institution. Opening in 1873, according to Charlton, this bank's primary accounts were with a local tannery. The tannery suffered a series of losses in the 1880s precipitating the bank's failure in 1887. While the depositors were made whole, the shareholders of the bank lost a total of \$163,970. Several years ago, we offered a remainder sheet from here, but this is the first issued note that has managed to grace one of our auctions. While tonight's offering has a few small edge splits and tears, it still retains nice color and an overall pleasing appearance, and it presents a great opportunity for the many collectors of Canadian Chartered Bank Notes to add a very tough bank to their holdings. PCGS **Apparent Very Good 10**. (6,000-9,000)
Starting Bid: \$3,500

- 26170 **St. John's NF- Newfoundland Government Cash Note \$1 ND (1901-09) Ch. NF-5fp Proof**
A uniface cardstock Proof with a "Feb 27 1905" rubber-stamped date and penned initials in red ink on the face. This Proof is of a scarce type of note. Only 173 issued examples are listed in the *Canadian Paper Money Society Note Registry 2013*. The documented issued Cash Notes are spread across nine series and five denominations. Also, 43 of those notes are in institutional collections. Therefore, a Proof in high grade becomes a sensible way to collect Cash Notes. PMG **Gem Uncirculated 65 EPQ**. (1,250-1,750)
Starting Bid: \$750

- 26171 **St. John's NF- Newfoundland Government Cash Note \$5 ND (1901-09) Ch. NF-6fp Proof**

Only 8,800 examples of this design were printed for circulation. Charlton values issued 1931 \$50s only in Fine, to the tune of \$22,000. China Empire Ming Dynasty 1 Kuan

26202 China Empire Ming Dynasty 1 Kuan 1368-99 Pick AA10

This was not the first banknote to be issued, but it was definitely very close. The starting date for the Krause reference of 1368 refers to this issue. These mulberry-charcoal-based notes were issued during the reign of the Hongwu Emperor, the first emperor of the Great Ming. They were based on notes issued by the Great Yuan and used to replenish the government coffers after the overthrow of the Yuan. The stipulations in the bottom half of the note authorizes that it is as good as copper coin and also provides a warning of execution for the counterfeiter, as well as the reward of 250 taels of silver and the counterfeiter's assets to the accuser. This example grades PCGS **Extremely Fine 40**. We also see that this gigantic note is an outstanding representation for the grade as we look through the third party holder. We had an example last April that graded PCGS XF 45 realized \$17,625. (12,500-17,500)

Cuba 500 Pesos 1944 Proofs

- 26253 **Cuba** Republica de Cuba 500 Pesos 1944 Pick 75p
Face and Back Proofs
A rare note that only exists in Proof/Specimen form. They were printed by the ABNCo and cut out with their printed inventory plate number attached at top and then mounted on recycled thin card stock. This was a very common practice at the ABNCo. The inflation associated with World War Two produced a possible need for the high denominations of 500 and 1000 Pesos for the Cuban economy, but it was decided to issue just the latter for actual circulation until the former had its official roll out in 1947. A pair of historic notes, with the face grading PMG **Choice Uncirculated 63**. The back which is typically found printed in red ink is printed here in green ink and grades PMG **Choice Uncirculated 64**. (Total: 2 notes) (6,000-8,000)
Starting Bid: \$3,500

Cuba 1000 Pesos 1945 Specimen

26254 Cuba Republica de Cuba 1000 Pesos 1945 Pick 76s Specimen

A great Cuban rarity from the Certificado de Plata issue. This is the first time for us to offer an example with the 1945 date, and only our second offering overall. The inflation of World War II produced a need for this high denomination and the ABNCo complied with this design that features Tomas Estrada Palma, the first president of Cuba, as the main vignette. This PMG **Gem Uncirculated 65 EPQ** two POCs Specimen has four broad margins and excellent inks. (6,750-8,750)

Starting Bid: \$4,000

Double Denomination 50/100 Pesos Error

26256 Cuba Banco Central de Cuba Double Denomination Error 50/100 Pesos 2001 Pick 119

A rare double denomination error where a 50 Peso face was printed on a 100 Peso back. This is the first example of this type of error on a world note that we have had the privilege to auction. Double denominations in the world paper money field are truly rare. This is proven by the fact that the *World Paper Money Errors* reference by Morland C. Fischer uses a piece of Notgeld to illustrate this type of error. Also in that reference, the double denomination error was not given its own multi-page chapter, but put in the miscellaneous category. This was probably because Mr. Fischer only had one example of the double denomination error to put in the book. PMG **Extremely Fine 40 Net**, with a small amount of rust.

A Classic Danzig Rarity

26279 Danzig Central Finance Department 100 Gulden 1.11.1923 Pick 52

1923 Second Gulden Issue, November. Highest denomination of the series and one of the most sought after of all Danzig notes. Uniface black text on gray underprint with a Hanseatic galleon on the right. (The description for P 52 in the Krause catalog is for the 50 Gulden denomination, not the 100.) Red serial numbers. Creamy white paper with no soiling or stains. Only a single, hard fold. Embossing on the back is clearly visible. The small left and right margin tear repairs, and some edge repair along the single vertical fold, hardly detract from the appearance of this key note. Priced at \$10,000 in VF, and unpriced in higher grade, in Krause. Extremely rare. PMG **Choice Extremely Fine 45 Net**. (11,000-14,000)

Starting Bid: \$7,100

The back shows an allegorical figure with a trident and is printed in dark green on lime-green-and-violet underprint. Totally original, only the back centering keeps it from the Gem category. PMG **Gem Uncirculated 65 EPQ**. (3,750-4,750)

Starting Bid: \$2,270

Bank of Danzig 1,000 Gulden

26281 Danzig, Bank of Danzig 1000 Gulden 10.2.1924 Pick 57

The highest denomination of the Bank of Danzig issues and one of the most popular because of its larger size and striking colors. The bright red-orange-on-blue underprint shows a city scene featuring City Hall at the center. With full originality, the excellent centering and perfect registration certainly warrant the grade of PMG Gem Uncirculated 66 EPQ. (7,000-8,500)

Starting Bid: \$4,600

26282 Danzig, Bank of Danzig 10 Gulden 1.7.1930 Pick 58

Near-Superb Pick 61 25 Gulden

- 26284 **Danzig, Bank of Danzig 25 Gulden 2.1.1931 Pick 61**
The next denomination in the 1931-32 Issue. Black-on-tan and multicolor underprint with vignette of St. Mary's Church at center. Black-on-salmon and lilac underprint back with Neptune on right. Another wonderful Gem in this selection of Bank of Danzig notes. **PMG Gem Uncirculated 66 EPQ.** (4,000-5,000)
Starting Bid: \$2,500

- 26285 **Danzig, Bank of Danzig 100 Gulden 1.8.1931 Pick 62**
The third and highest denomination note of the 1931-32 Issue. A lovely blue piece with a vignette of a dock on the River Mottlau. The centering is a tad high on the front and the registry is shifted up; otherwise the paper quality is outstanding, and the note looks freshly printed. **PMG Gem Uncirculated 65 EPQ.** (3,000-4,000)
Starting Bid: \$1,950

- 26286 **Danzig, Bank of Danzig 100 Gulden 1.8.1931 Pick 62**
A second, lower grade example of the 100 Gulden note from the 1931-31 Issue. Just as bright and clean as the previous Gem note, but there does appear to be a vague hint of a center fold on close inspection. A good alternative to paying all the money for a full Gem. **PMG Choice About Unc 58.** (2,000-2,500)
Starting Bid: \$1,200

- 26287 **Danzig, Bank of Danzig 20 Gulden 1.11.1937 Pick 63**
The lowest denomination note from the final 1937-38 Issue and the final type note issued from the Bank of Danzig prior to the start of WWII in 1939. The black on multicolor obverse depicts St. Mary's church, which is the same vignette used on the 10 Gulden P 58 note. Single letter serial number variety. Another high quality note which arguably should be in the Super Gem class. **PMG Gem Uncirculated 66 EPQ.** (3,000-3,500)
Starting Bid: \$1,820

- 26288 **Danzig, Bank of Danzig 50 Gulden 5.2.1937 Pick 65**
The second and highest denomination of the 1937-38 Issue. Brown-on-multicolor face with vignette of the Vorlaubenhaus building at the center. Centered a bit left on the front, but the printing and paper quality speaks of a strong grade. **PMG Gem Uncirculated 65 EPQ. (1,800-2,100)**
Starting Bid: \$1,100

- 26289 **Danzig Bank von Danzig 50 Gulden 5.2.1937 Pick 65**
A most pleasing example that grades **PMG Choice Uncirculated 64 EPQ**, with excellent colors and paper originality. We would not be surprised to see it surpass the \$2232.50 price achieved by Ruth Hill's example which graded **PCGS Very Choice New 64. (1,750-2,250)**
Starting Bid: \$1,050

- 26290 **Denmark Nationalbank 1000 Kroner (19)92 Pick 53f**

- 26291 **East Africa Currency Board 1 Florin 1.5.1920 Pick 8**

This attractive example featuring King George V shows no tears or holes of any kind, though there is a thin in the lower right. **PCGS Apparent Extremely Fine 40** with mention of a minor stain at bottom left.
(2,000-2,500)
Starting Bid: \$1,200

Extraordinary East Africa 10/5 Shilling Double Denomination

26292 **Double Denomination East Africa Currency Board 10/5 Shillings 15.12.1921, Pick 14 5 Shillings 1.1.1933 Pick 33**

A major error note with a 10 Shillings face and a 5 Shillings back on the KGV 1921 Mombasa issue. A correctly printed 1933 5 Shillings note is included for comparison, PMG **Very Fine 20 Net**. Two interesting letters of correspondence between T. de la Rue Ltd. and the Secretary of the EACB address how such an error could have occurred and escaped the examiners. Remarkably, the double denomination note somehow remained in circulation for some 30 years as evidenced by its condition, PMG **Very Good 10 Net**. This error note is likely unique in collectors' hands, but as de la Rue surmised, a sheet must have originally been printed. If another turns up, it will be a near miracle. (Total: 4 items) (3,750-4,750)

Starting Bid: \$2,200

- 26293 **East Africa** East African Currency Board 10 Shillings 1.1.1955 Pick 34

An Extraordinarily Rare German New Guinea Note

26370 German New Guinea Treasury Note 10 Marks 14.10.1914 (1.1.1915) Pick 2b

This German colony was invaded by Australian forces at the beginning of World War I. The only significant engagement took place on September 11, 1914 near Rabaul as the Germans and their native forces were defeated by the Australians. This led to the surrender of all of the German forces ten days later. Also, a need quickly developed for a circulating currency. These provisional notes were issued at Rabaul and circulated for only two months before being recalled and exchanged for the Australian Pound. This 10 Marks example was pen cancelled on January 1, 1915. However, the red ink used in the manuscript cancellation has greatly faded. All notes of this interim issue are marked as "rare" in Krause, which is an understatement. We are very fortunate to be able to offer not only two from this entire issue, but of this number in the last year. In fact this cataloguer never dreamed of holding even one of these rare notes. The previous example we auctioned graded PCGS XF 40, is pen cancelled and brought \$49,937.50 in September 2014. The current note grades PCGS **Apparent Very Fine 30**, with small edge tears, minor damage, stains, backing, and serial numbers of "1234" falsely added. It is still a rare and historic note. (10,000-20,000)

Starting Bid: \$6,000

26371 Germany Specimen Gutschein Album 1922-23

The first page tells us these notes were prepared under the auspices of the Industry and Chamber of Commerce of Stolberg and other neighboring district administrations. The first ten notes of the eleven in this approximately 9x6-inch album are listed on the next page. Next the notes are mounted one side to a page, and each is numbered with a serial number of 000001 through 000011. The denominations in order are 500; 50,000; 500,000; 1 Million; 10 Million; 20 Million; 100 Million; 50 Billion; 2 Trillion; 10 Trillion (serial number 000010); and 25 Trillion Marks. The last note is not listed in the table of contents. These notes are not graded, but a possible name has been blacked out on the inside front cover. (700-1,000)

Stunning Republic of Hawaii 10 Dollar Proof

- 26385 **Hawaii** Republic of Hawaii 10 Dollars 1895 Pick 12p Proof
The Republic of Hawaii was established on July 4, 1894 after an overthrow of the monarchy the previous year. By 1898, the islands were annexed by the United States and became an official territory in 1900. The 1897 Silver Certificates (dated 1895) were used for only a short time and were demonetized by 1905. The American Bank Note Company's execution of the designs were some of the most beautiful in their existence. We had sold earlier just two other 10 Dollar proofs, one a black and white proof on cardstock, and the other a color proof, front and back, on a page from the archives. This example is the colored face proof, with the delicate but vivid baby-blue underprint. Four POC's are noted on the signature lines and it is mounted on cardstock. The preservation of the paper and cardstock were perfect, with both remaining bright and unadulterated by age. **PMG Choice Uncirculated 64 EPQ.** (5,250-6,250)
Starting Bid: \$3,125

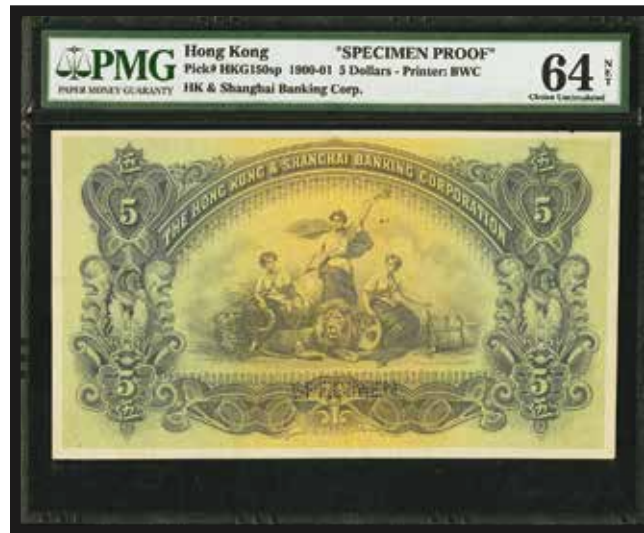

- 26386 **Hong Kong** Chartered Bank \$50 ND (1970-75) Pick 75a

The portrait at right is of Theobald Wolfe Tone, the father of Irish republicanism. Bordering the face design of the note are the names of the Irish counties. *Paper Money of Ireland* by Blake, Callaway, and West does not list prices in this denomination above Fine. This uncut strip of B-C-D notes grades PMG About Uncirculated 53. The nicest example of this number that we ever offered previously was at our Memphis 2010 auction. A delightful PMG **Choice Uncirculated 64** example with a mention of minor stains on the back of the third-party label. We see the stains as overinking of some of the yellow ink on the back. Jamaican Essay Pair

26444 Jamaica Treasury of Jamaica 5 & 10 Shillings L. 1904/18 Essay Face Sketch

A fascinating pair of Jamaican notes in development: a 5 Shilling bearing serial number A/5 00000 and a 10 Shilling bearing serial number A/2 00000. Interestingly, these designer or artist's renderings display two serial numbers while the actual circulating issues had just one. Also, the 10 shilling note has the Island Treasurer's signature present. Any estimate is but a guess when it comes to possibly unique Jamaican production materials. Both pieces display pinholes and mounting remnants, attesting to their use as works in progress. PCGS **Apparent Choice About New 55** and **Apparent About New 53**. (Total: 2 notes) (2,250-2,750)

- 26452 **Libya** British Military Authority 1000 Lire (1943) Pick M8a
The highest denomination of the British Occupation in WWII and a prize note for the British Commonwealth, Africa, or Military banknote collectors. This piece is an evenly circulated, solid VF but with some problems, most notably the graffiti in the watermark area and tiny rust spots on the back. A clean good VF sold two year ago for \$9400, so this collectible example should be a bargain here at the high estimate, but do not be surprised it hammers well above estimate. Front & Back Printing Plates - Russian Government Credit Note

26569 Russia Government Credit Note 100 Rubles 1918 Pick 40 / S1249 Face and Back Printing Plates.

The Russian Government Credit Notes are arguably among the prettiest designs featured on Russian currency. A vignette of *Agriculture* is seen on the face plate, while the back plate features the state emblem of the Russian Provisional Government; a two-headed eagle over Tauride Palace. A multiple impression process was used to print the face of these notes. This plate represents all of the design details printed in black. The underprint, in brown, featured the ornate lathework that helped thwart counterfeiting attempts. Serial numbers and signatures were added in yet another impression. The back plate is complete as it was applied with a single brown ink impression.

The appeal of these plates cannot be overstated as the incuse engraved details still contract nicely against the polished steel. A three dimensional visual appearance is created and unequaled by the printed notes themselves. Russian specialists will be enamored by this offering as the face plates from the 500 Ruble and 1,000 Ruble denominations also included in this auction. This front plate and back plate were used for printing of the 1918 dated Credit Notes, listed as 40 and S1249 in the *Standard Catalog of World Paper Money* references. They are free of pitting and corrosion often seen on the few remaining steel printing plates from this time period. Included in the lot is a PMG graded example of the printed note, S1249 as a visual reference for the finished product. It is graded Choice Uncirculated 64. (40,000-60,000)

Starting Bid: \$35,000

Government Credit Note 500 Rubles - Steel Printing Plate

26570 **Russia** Government Credit Note 500 Rubles 1918 Pick 41 Face Printing Plate

The 500 Ruble steel printing plate offered here is part of an incredible set of plates offered here today. At center is the perfectly engraved vignette of a woman seated and flanked by two cherubs. Printed in full color, this denomination ranks as one of the most aesthetic notes ever printed and issued in Russia.

While issued examples of the 100 Ruble denomination are offered from time to time and are relatively affordable, offerings of the 500 and 1000 Ruble denominations are elusive. Even though proofs and specimens were printed, they remain unpriced in the the *Standard Catalog of World Paper Money*. Specimens are more frequently seen than the proofs, but still quite elusive and very popular when presented at auction. The condition is excellent, perfectly matching the other plates offered. The polished steel is nearly impeccable with just a hint of toning noted. (30,000-40,000)

Starting Bid: \$25,000

1,000 Ruble Face Printing Plate from the Russian Provisional Government

26571 **Russia** Government Credit Note 1,000 Rubles 1918 Pick 42

The Russian Provisional Government produced these Credit Notes shortly after the Revolution of 1917. Denominations up to 1,000 Rubles were prepared, though issued examples of the 500 and 1,000 Ruble denominations are not listed in the Standard Catalog of World Paper Money. Specimens presented at auction reveal the beauty of the finished design for these notes, with this denomination featuring a woman seated at left holding a globe. The multi-colored design is one an incredible design executed by the most talented engravers.

This steel plate features the face design and includes all the elements of black ink that were applied to the final notes. Like the other plates offered here, it's beautiful, original, and effectively problem free. The date 1919 is seen on the two highest denominations, possibly indicating that they were produced after the 25 through 100 Ruble denominations were prepared. An historic offering boasting one of the most beautiful designs known in world paper money. (30,000-40,000)

Starting Bid: \$25,000

Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, Rare Books, Jewelry & Watches, Guitars & Musical Instruments, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins and Rare Wine). Signature® Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive! and real-time telephone bidding are available to registered clients during these auctions.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of HA.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof so a credit check may be performed prior to Auctioneer's acceptance of a bid. Check writing privileges and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of criteria: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction venue.

Bidding Options:

8. Bids in Signature, Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

The following chart governs current bidding increments (see HA.com/c/ref/web-tips.zx#guidelines-increments).

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF

THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.

14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40-60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the Purchases; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, and thirty days when drawn on an international bank. Clients with pre-arranged credit status may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer, at its option, may charge a twenty (20%) restock fee on the amount of the purchase and offset the restock fee against any monies paid to the Auctioneer or against any of the purchaser's properties held by the Auctioneer.
25. Lots delivered to you, or your representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if assigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if assigned to an auction conducted by Auctioneer). In

Terms and Conditions of Auction

addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession..

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

Delivery; Shipping; and Handling Charges:

32. Buyer is liable for shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer.

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.

34. All shipping charges will be borne by the successful Bidder. On all domestic shipments, any risk of loss during shipment will be borne by Heritage until the shipping carrier's confirmation of delivery to the address of record in Auctioneer's file (carrier's confirmation is conclusive to prove delivery to Bidder; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature) or delivery by Heritage to Bidder's selected third-party shipper. On all foreign shipments, any risk of loss during shipment will be borne by the Bidder following Auctioneer's delivery to the Bidder's designated common carrier or third-party shipper.

35. Due to the nature of some items sold, it shall be the responsibility for the successful Bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.

36A. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) ivory, whalebone, turtle shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay or failure to obtain any such license or permit does not relieve the buyer of timely compliance with standard payment terms. For further information, please contact Ron Brackemyre at 800- 872-6467 ext. 1312.

36B. California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

36C. Auctioneer shall not be liable for any loss caused by or resulting from:

- a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
- b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles

37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, for example, Fine Art, may have express written warranties and you are referred to those specific terms and conditions. .

39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.

40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.

42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or consequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein. Consumer disputes shall be resolved through court litigation which has an exclusive Dallas, Texas venue clause and jury waiver. Non-consumer dispute shall be determined in binding arbitration which arbitration replaces the right to go to court, including the right to a jury trial.

46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to and/or arising out of your Participation in the Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation or any claim made by you of a lot or your Participation in the auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer { which claim you consent to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent as the case may be) and Heritage each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. Exemplary or punitive damages are not permitted and are waived. A Claim is not subject to class certification. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return. This Agreement and any Claim shall be determined and construed under Texas law. The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought vs. awarded or the successful defense of a Claim based on damages sought vs. awarded) may be awarded its reasonable attorneys' fees and costs.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid or arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.

53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

Terms and Conditions of Auction

Additional Terms & Conditions:

COINS & CURRENCY

COINS and CURRENCY TERM A: Signature. Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reclassified to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM N: Some of the lots offered herein have been assigned to 1031 Services, Inc. for the purpose of consignor's tax deferred exchange.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
